

British values support how we live, work and play. Class and school rules support British values.

**Respect for the rule of law:**

Rules and routines support us in our work and play.

**Individual liberty:**

Making independent choices.

**Democracy:**

Your thoughts matter and we encourage you all to share them. Everyone has the right to their own ideas and thinking. We work together to make lots of decisions in class.

**Mutual respect and tolerance of people from different faiths and beliefs:**

We enjoy finding out about everyone's interests and your experiences with family and friends. Learning about special celebrations and events helps us to learn more about one another.
