Food and Drink:

Now is the time to tantalize your taste buds in the wonderful Brazil. The food here is a tasty, mouthwatering feast for your senses. Therefore, Brazil has your back. Brazil has a massive range of amazing food. We strongly believe, that you should try the Feijoada (a black bean stew made with juicy pork) because it is extremely nice that people would die for it. After you ate the main meal you could have a Capirinha (an exotic cocktail) because of how well it will fizz in your mouth. But if you don't like stew eat the Picanha (a barbecued meat). The locals say how nice and amazing the flavour is. And then you can finish off with the Brigadeiros (a ball of chocolate ~~truffles~~ truffles). Children love it that they mostly love that they use it in birthday parties.

TO

Achilles:

This paragraph will tell you some of the activities to do in Brazil. So if you like something ~~Bra~~ Brazil has the place, Banto a place to go snorkelling in the crystal clear water. But if you want a ~~re~~ related place/area where so in my opinion you should walk on the beach of Rio de Janeiro while drinking the tropical Boticha Rosa, which is another fizzy cocktail that certainly will make you drink more. So if that wasn't enough another place to go is in Pantanal because you can ride the extraordinary Brazilian horses that are so fast you can nearly fall off. So know we have one left to tell you, Kayaking in the Amazon. Ride the wonderful kayakers in the Amazon and have some fun, you can also find the beautiful wildlife (we will talk about that in detail later).

Climate:

So that was enough? OK but we have lots more to go. In this paragraph we will tell you about Climate. So if you like warm weather definitely come to Brazil. ~~The~~ The place for you because in summer it's 23°C - 27°C. It's also a good place because there's only 70 less than seven hundred mm of rainfall.

BRAZIL
