# Pudsey Primrose Hill

Wellbeing idea for the week: **Enjoy the sights and sounds of spring - and remember to change the clocks!!**

## Take Over Week - Year 6

We have been delighted with our Y6 pupils this week as they have challenged themselves to take on various jobs across school. They have organised team games in Nursery, read stories to our Nursery and Reception classes, demonstrated cooking skills in enrichment, supported Mrs Vickers building the new apiary in the school grounds, worked confidently alongside our admin team in the office, completed tasks for our IT support Datacable, helped in computing sessions, lead KS2 singing assembly and some Y6 have even visited Pudsey Waterloo and completed tasks there. They have a better insight into the world of work and understand that a lot of work goes on behind the scenes at school. It has been a privilege to watch them grow in confidence and contribute positively to school life.

## Training Days

23rd May 2025  
21st and 22nd July 2025

## Upcoming Events

House Point winning for last  
week

Congratulations **discoverers**  
who are the House Team  
winners with **985** points!

## Ramadan and Eid Assemblies

We were very lucky to be joined by some of our parents this week, who came to tell us all about Ramadan and Eid. Many of our families have been celebrating Ramadan this month and are looking forward to the Eid festivities towards the end of the month. We wish to thank the parents for their time and hope that all of our families who are celebrating have a wonderful time with their families.

## Year 5 Writing Project - Primrose Hill's Little Library

Last year, our Year 5 students wrote persuasive letters to local businesses to raise funds for our very own school little library. Thanks to generous donations from organisations like Nexus, Charlie's Sandwiches, and a local solicitor's office, the library has now been built. The Year 5 students have also filled it with a fantastic selection of books. We invite you to come and visit the library before or after school! The library is open to all and we hope you enjoy sharing books and joining us to celebrate and promote our love of reading!

## Year One - Room on the Broom Trail

Children in Year 1 enjoyed a visit to Anglers Country Park this week. This formed part of their 'Sense of Adventure' Owlcotes Element. Children followed the muddy paths around the lake, searching for characters from the story 'Room on a Broom' by author Julia Donaldson. They were thrilled when they found the characters and thoroughly enjoyed exploring the different sculptures. Finding the dragon was a particular highlight! The mud did not stop them and a great time was had by all.

## FOPPH - Easter Raffle

If you would like to be in with a chance to win one of our Easter Pots filled with lots of Easter treats, go to [Easter Raffle tickets](#) to buy your tickets. One for each year group and runner up prizes too.

## St George's Hall Performance

Well done to Daisy who performed on stage in front of 1,300 people at St George's Hall with Gareth Gates! What an achievement, we all hope you enjoyed the experience!

# In this week...

# HISTORY

## 30th March 240 BC

On this day, the first certain appearance of Halley's Comet in the historical record was recorded. A description from 240 BC, in the Chinese chronicle Records of the Grand Historian or Shiji, described the comet that appeared in the east and moved north.

Discussion: What do you think people at the time thought the comet was?  
Why do you think this?

**Talk On** – Developing and Improving our Children's Vocabulary and Talk.

We will share our 'Talk On' theme / focus with parents each week so you can be involved in discussions and conversations with your children at home as well as staff in school. The Talk On themes are linked to assemblies held in school that week.

Pudsey Primrose Hill's [Talk On](#) focus this week is:

Which of the Owlcotes elements have you enjoyed most so far? Which ones are you looking forward to?

Talk to your friends, teachers, school staff and families about this week's Talk On. *Challenge: Once you've talked about it, can you write about it?*

### Class assemblies spring and summer term

We are once again inviting parents into their child's class assembly next year. We want to give parents advance notice of the dates which have been set so far. Parents are welcome to attend the following class assemblies and will receive an email and google form nearer the time. Pupils will share their learning and showcase their oracy skills.

**Y4W** Fri 16 May at 9.00am  
**Y3LA** Thur 22 May at 9.00am  
**Y3SA** Fri 13 June at 9.00am

### **E-Safety – Be Nice Online**

Children in school spend the first part of their computing lessons with a focus on E-Safety. Their teachers discuss different scenarios or questions with them. Below you will find the ones that children will be using in school next week.

**KS1** - Your friend asks you to join a social media app but you are below the legal age to create an account. What should you do?

**LKS2** - Someone from school has sent you a nasty message online. What should you do?

**UKS2** - A classmate sends a picture to your phone which makes you feel uncomfortable. What should you do?

Please use the links for more Online Safety posters and advice. <https://parentzone.org.uk/>

## Maths Problem Of the Week

### Week 5 - Maths Problem Of The Week - EYFS and KS1

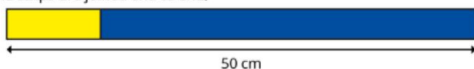

Here is a strip of yellow paper.

A blue strip of paper is 4 times longer than the yellow strip.

The strips are joined end to end.

How long is the yellow strip?  
How long is the blue strip?

### Week 5 - Maths Problem Of The Week - KS2

0 2 3 5 6 9

Arrange the digits in the multiplication to make the greatest possible product.

$$\square\square\square\square \times \square\square$$

What about the smallest product?
