# Pudsey Primrose Hill

Wellbeing idea for the week :Take responsibility for your own happiness don't expect people or things to bring you happiness.

## Year 6 Residential

This week children in Year 6 attended an action-packed 3 day residential at Robinwood, Todmorden. They took part in a wealth of indoor and outdoor activities designed to challenge their teamwork, problem solving skills, agility and strength. They have built self esteem, resilience and effective communication skills whilst completing climbing, canoeing, archery, Nightline, Piranha Pool, Leap of Faith to name just a few... They returned to school exhausted, happy and with memories to last a lifetime! Well done Y6!

## Year 3 and 4 Dodgeball

This week children in Year 3 and 4 took part in a sporting event at Crawshaw. They practised their dodgeball skills and then competed in matches against other schools. They did an excellent job of working as a team and demonstrated good sportsmanship throughout. They had lots of fun playing a sport some hadn't tried before and showed lots of great skill. Well done everyone!

## Christmas Performances

We have already started our preparations for Christmas!  
Please see below the dates and times for each year groups performance or  
Christmas Sing-a-long.  
Further details about how to get tickets will be sent out nearer the time.

**Nursery** Tuesday 16th December at 10.30am in the hub;  
**Nursery** Thursday 18th December at 2.30pm in the hub.

## Advent Calendars Charity Appeal Final Call: Let's Make This the Best Count Yet!

We are absolutely **blown away** by the incredible generosity shown so far for our Leeds Children's Hospital Advent Calendar Appeal!

A massive **THANK YOU** to every family who has donated. Our last count revealed that you have brought in a staggering **190 advent calendars!** This is an amazing total that will bring so much joy to the children at the hospital.

### Next Week is Our Final Week!

Miss Colman and the School Council are excitedly preparing for the final, official count next week. We are aiming for one final push to make this total even bigger!

If you still have an advent calendar to donate, please bring it in before the appeal closes. Let's finish strong and show the children at Leeds Children's Hospital just how much our community cares!

*Here is the story to jog your memory!*

*My son Finley, who has just gone into Year 5, has unfortunately got a rare disease that affects his swallowing and means he has quite a restricted diet. When Finley was a small baby he spent an awful lot of time in the Leeds Children hospital, including time over 2 Christmases'. One Christmas Finley was given an advent calendar which really brighten up both his and my day and made me realise how a small act of kindness can really go a long way especially in that kind of environment. I later realised that the nurses were buying the advent calendars for the children out of their own pockets.*

*Since that Christmas I have collected advent calendars to distribute to children that are in hospital over the advent period. I collect Chocolate, non dairy, non food , book and fidget calendars to cater for all requirements. These were then distributed to Leeds Children's Hospital, Bradford Royal Infirmary, Pinderfields, Huddersfield Royal Infirmary and even some to Barnardo's for child carers*

## Christmas Raffle - Prizes Request

FOPPH are currently organising our popular Christmas Raffle. Do you have your own business and are able to offer a prize? Do you work for a company who could sponsor a prize?

We'd love some great prizes to help with our fundraising efforts!

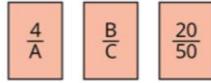

The money raised all goes back to experiences for the children's Christmas parties .

# Maths Problem Of the Week

## Maths Problem Of The Week - KS2 Week 3

Here are some fraction cards.

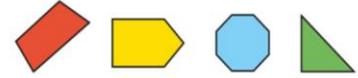

Use the clues to work out the values of A, B and C.

- All three fractions are equivalent.
- $A + B = 16$

## Maths Problem Of The Week - KS1 and EYFS Week 3

Here are some shapes.

- Which shape has the fewest sides?
- Which shape has the most sides?
- How do you know?

## Talk On – Developing and Improving our Children’s Vocabulary and Talk.

We will share our ‘Talk On’ theme / focus with parents each week so you can be involved in discussions and conversations with your children at home as well as staff in school. The Talk On themes are linked to assemblies held in school that week.

Pudsey Primrose Hill's Talk On focus this week is:

What is climate change? Who is responsible for making a difference?

Talk to your friends, teachers, school staff and families about this week's Talk On. *Challenge: Once you've talked about it, can you write about it?*

It is in the continent of Europe.

It is of the North East of the North Atlantic Ocean.

It is of the North East of the North Atlantic Ocean.

### Facts about : Norway

- It has the longest coastline in Europe and is home to 1,190 fjords.
- Due to its northern location, Norway experiences the "Midnight Sun," where the sun doesn't set for several months in the summer, and also the "Polar Night," where it gets dark for extended periods in the winter.
- Norway is the birthplace of modern skiing and has won more Winter Olympic medals than any other country.
- The moose is Norway's national animal, and the country is home to Europe's largest herd of wild reindeer. Arctic animals like polar bears, wolverines, and puffins can also be found in Norway.

### Class assemblies autumn term

We are once again inviting parents into their child's class assembly this year. We want to give parents advance notice of the dates which have been set so far.

Parents are welcome to attend the following class assemblies and will receive an email and google form nearer the time. Pupils will share their learning and showcase their oracy skills. All assemblies will start at 9.00am

**Y1C Thurs 27th Nov**

**Y6W Fri 28th Nov**

**Y6C Fri 5th Dec**

### MindMate Support Team - Coffee Afternoons

We are excited to host some workshops for parents with our Mind Mate Support Team. We would like to give advance notice so if you are interested in attending you can add the date to your diary. Please come along to find out how you can support your child and enjoy a tea/coffee. We look forward to seeing you there!

Each workshop will be held in the HUB building (Nursery building), start at 2pm and finish at 3pm.
