Dear Parent/Carers,

To support teaching and learning in Religious Education, we have planned a trip to Sinai Synagogue. The trip consists of two parts with a break in between. The first half involves a talk with the children about the synagogue, Judaism and services held in the synagogue, allowing any questions the children may have to be answered. The second half consists of a close look at a Torah scroll and a creative activity.

The dates for the trip are:

Y3A - Tuesday 31st March

Y3R - Wednesday 1st April

The trip will take place during normal school hours. We will be leaving the school in the morning and returning by lunchtime.

Children will need to wear school uniform and have with them a showerproof jacket/coat and shoes suitable for walking. The classes will be travelling via the school minibuses. Children will have their lunch in school as normal.

Yours sincerely,

The Year 3 team.
