# Pudsey Primrose Hill

Wellbeing idea for the week : *Find your own talent and share it with others.*

## Primrose Hill's Got Talent

Wednesday night saw the return of Primrose Hill's Got Talent with 12 talented acts taking the stage. We had a mix of singers, high-energy dancers, brilliant children playing instruments, a skipping routine, card tricks and poetry. The Pupil Arts Council were on the judging panel and scored each act based on: entertainment, stagecraft and confidence. Well done to our winners, Alisha and Amelie. Amelie tap danced whilst Alisha played Taylor Swift, Shake it off on the keyboard! "On beat and very talented" to quote one of our judges!

## Year 2 Skipping Champions

What a great day at the skipping festival! Our talented skippers took home some incredible certificates across multiple events:

Gold certificate: Single bounce, Side Swing and 'Keep the Pot Boiling'

Silver certificate: 'Hop and Swap' and 'Run Jump Out'

Bronze certificate: Side Straddle

All of the children gave it their all, showcasing determination, teamwork, and skill. Watching their hard work pay off to win the festival was the highlight of the day. Huge congratulations to our Year 2 champions - you should be proud!

## Year 5 Stemfest Visit

Our Year 5 scientists had an incredible time exploring Stemfest, where they discovered groundbreaking inventions and learned about exciting future careers from real-world companies. The children thoroughly enjoyed getting hands-on with interactive exhibits showcasing the wonders of manufacturing, space, engineering, and cutting-edge technology!

## Year 6 Junior Warrior

Last week Y6 completed the 3km Junior Warrior event at Bramham Park. Despite the heat, they clambered over obstacles, waded through mud, crawled under cargo nets and climbed over walls. They showed resilience, a sense of humour and great teamwork as they encouraged each other to cross the finish line. Great memories were made!

## Year 2G Filey Trip

Year 2 children took an exciting trip to Filey! The day was packed with geography in action as they identified coastal features and enjoyed playing in the sand. The children also did a great job interviewing visitors on the promenade, politely asking them about the purpose of their visit. We will be using this data back in the classroom to create block diagrams. Of course, they couldn't leave the seaside without finishing the day with a delicious ice cream!

### Uniform Expectation Reminder.

Dear Parents and Carers,

As we approach the final weeks of the school year, we wanted to remind our pupils they are required to remain in full school uniform, including suitable footwear (no crocs please) until the very last day of term. Cycling shorts are only acceptable on PE days but these **MUST** be of an appropriate length. In addition to this, makeup, jewellery and false nails/nail polish is also not allowed for school.

Many thanks for your cooperation

Talk On – Developing and Improving our Children's Vocabulary and Talk. We will share our 'Talk On' theme / focus with parents each week so you can be involved in discussions and conversations with your children at home as well as staff in school. The Talk On themes are linked to assemblies held in school that week.

Pudsey Primrose Hill's [Talk On](#) focus this week is:

Which part of your learning are you most proud of this year? Why ?

Talk to your friends, teachers, school staff and families about this week's Talk On. *Challenge: Once you've talked about it, can you write about it?*
