Wellbeing idea for the week: Find a new way to use one of your strengths or talents.

Early Years Learning Adventures

Children in nursery have made a fabulous start to the new academic year. The returning children have helped new children to learn that we are all friends together. All children are enjoying exploring inside and outdoors.

Exploring outdoors and being challenged to use different drawing tools are ongoing themes throughout this half term, as the children learn about each other.

Reception have settled into life at Primrose Hill really well. They have enjoyed spending time in the reception classrooms, outdoor classroom and the main hall for PE.

In PE, they have practiced balancing using a beanbag on body parts like their head, hand, and knee, as well as balancing on a bench with one foot raised.

Pupils can perform individually or in a small group (max 4 pupils). This event is part of our Owlcores Elements offer- A Confidence to Perform. We will be discussing with pupils the importance of : eye contact, voice projection, facial expression, pace of speech, intonation and emphasis at an age appropriate level. On Friday 2nd October we will hold a Poetry Slam final in the main hall for winners from each class to showcase their poems. The week will be launched by a poet who will demonstrate performance skills and work in specific year groups to support performance skills.

Pudsey Primrose Hill's Talk On focus this week is:

What makes a poetry recital
successful?
How can we engage our audience?

Talk to your friends, teachers, school staff and families about this week's Talk On. *Challenge: Once you've talked about it, can you write about it?*
