Pudsey Primrose Hill

Wellbeing idea for the week: You are never too old to set another goal or to dream a new dream.

Learning in Year 3 and Year 4

Children in Year 3 have been developing their understanding of the Outdoor Curriculum. Using clues, they discussed as a group where they would find different fauna and flora in our school grounds. They also learnt some interesting facts about different types of spiders.

Year 3 have also been working hard learning their 3 times tables and have been completing daily tasks to help them with their recall of facts.

Children in Year 4 we have been developing different skills throughout the Outdoor Curriculum. This week, they focused on pond dipping skills, using the net to investigate the different flora and fauna they could see. They recorded what they saw and are going to observe how the pond changes through the season.

Remembrance Day

On Wednesday, our school council representatives took part in the wreath laying at Pudsey Cenotaph as part of Remembrance Day along with other local schools and community groups. In school we held a 1 minute silence at 11 am to mark the occasion.

Pudsey Community Project

Our Key Stage Two Prefects were busy helping to sort clothes at the Pudsey Community Project this afternoon. A great example of our children making a positive contribution to their community as well as learning about all the things this brilliant charity do to suport families in and around Pudsey.

Children In Need

Y2 had a great time exercising for 26 minutes today for Children in Need, dancing, running, hula hooping and skipping!

Annual Advent Calendar Appeal

We are once again joining the Advent Calendar appeal and would encourage anyone in our community to donate. Please see the info below;

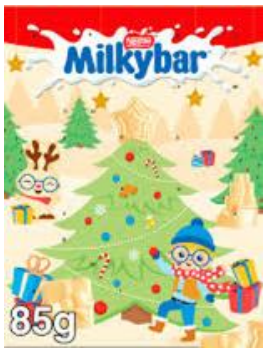

It's that time of year again already and we are collecting advent calendars for a special cause. Below is the story behind the appeal.

> *My son Finley has unfortunately got a rare disease that affects his swallowing and means he has quite a restricted diet. When Finley was a small baby he spent an awful lot of time in the Leeds Children hospital, including time over 2 Christmases'. One Christmas Finley was given an advent calendar which really brighten up both his and my day and made me realise how a small act of kindness can really go a long way especially in that kind of environment. I later realised that the nurses were buying the advent calendars for the children out of their own pockets.*

Since that Christmas I have collected advent calendars to distribute to children that are in hospital over the advent period. I collect Chocolate, non dairy, non food , book and fidget calendars to cater for all requirements. These were then distributed to Leeds Children's Hospital, Bradford Royal Infirmary, Pinderfields, Huddersfield Royal Infirmary and even some to Barnardo's for child carers.

Please bring any advent calendar donations to the school office where they will be collected.
Collections will happen as soon as there are enough calendars – so please donate as soon as you can so they can get to the children before 1st December. The last date is **Thursday 26th November.** Thank you!

Talk On – Developing and Improving our Children's Vocabulary and Talk.

We will share our 'Talk On' theme / focus with parents each week so you can be involved in discussions and conversations with your children at home as well as staff in school. The Talk On themes are linked to assemblies held in school that week.

Pudsey Primrose Hill's Talk On focus this week is:

What is bullying? If you see someone being bullied, do you have a responsibility to help?

Talk to your friends, teachers, school staff and families about this week's Talk On. Challenge: Once you've talked about it, can you write about it?

Next week is anti-bullying week. To mark this, we are asking children and staff to come to school in odd socks on Monday16thNovember. Please click the link for more information and to donate to the Anti-Bullying Alliance if you wish to.
